GENIE® REMOTE

AIR CONDITIONER

The Sacajawea Suite has an AC unit in the living room.

Take time to understand how it works; it is unique. → → → → → →

NOTE:

During the hot spring/summer months, we will have "Heat/Cool" Switch on "COOL".

During the cool months, we will have the switch on "HEAT".

TO OPERATE:

1. The AC remote control is on the wall in the hallway.

For the AC remote control to work, please ensure that:

2. The switch on the heat register in the south bedroom (bedroom to the right) is on "COOL".

AND

3. The heat thermostat in that same bedroom is set at 80° or higher.

NOTE: All other heat thermostats should be "OFF" when using the AC, unless you want heat in the room that the thermostat is in.

ALSO NOTE: We have signs up by the heat registers to help you navigate this.

HEAT

There are 4 heat thermostats in the Sacajawea Suite.

- 1.Living Room
- 2.Bedroom #1 (South) — this one has the “HEAT-COOL” SWITCH
- 3.Bedroom #2 (North)
- 4.Bathroom

Each of these controls the heat in that room.

NOTE: Bedroom #1 has a switch on the floor heat register. When needing heat in this bedroom, the switch must be on “HEAT”.

→

KEYPAD LOCKS

The Sacajawea Suite has keyless entry keypad locks.

Keyless entry keypad locks allow for self-check-in and avoid guests losing keys.

The keypad lock of the Sacajawea Suite is located on the front door, the door near the parking lot on the north side of the building.

When you leave, ensure the door locks.

GOOD TO KNOW:

- To set auto-lock: the thumb-turn needs to a horizontal position. The door will lock automatically when the door is shut.
- When the thumb-turn is in a vertical position, the door will remain unlocked when you shut the door. You will need to push the “lock” button on the keypad to lock the door.

➤ **SOUTH UNIT** * the most visited unit!
MEDORA IS THE GATEWAY TO THE SOUTH UNIT!

➤ **NORTH UNIT** * second most visited.

The North and South Unit are separated by a 1 hour, 10-minute drive.

➤ **ELKHORN RANCH UNIT** * least visited.

The NORTH UNIT and SOUTH UNIT have scenic drives, hiking trails, wildlife viewing, visitor centers, ranger-led programs and more.

The remote, undeveloped ELKHORN RANCH UNIT preserves Roosevelt's "home ranch" site in an area along the Little Missouri River.

SOUTH UNIT OF TRNP

LOCATION

SOUTH UNIT: most visited only .8 miles away!
You are less than a 5-minute drive away from the south unit park entrance and the visitor center!

GPS directions to the south unit entrance, use this address:
• 201 East River Road North, Medora, ND 58645

DIRECTIONS FROM DAKOTA PLACE LODGE:

- Head south on Doc Hubbard Drive
- Turn left onto East River Road South
- Turn left on Pacific Avenue
- Turn right on East River Road North

Wildlife, Scenic Drive, Hiking!

Theodore Roosevelt National Park South Unit holds approximately 100 miles of hiking trails that wind through the badlands.

Trails range from wheelchair accessible overlook paths, to the wild and rugged Maah Dah Hey.

SOUTH UNIT OF TRNP

KNOW BEFORE YOU GO...

- 2 Visitor Centers,
- a Scenic Drive,
- Hiking Trails, and
- plenty of Watchable Wildlife to entice visitors to stay a while.

Days of fun and adventure for all ages and level of adventurer.

Before embarking on this adventure, stop by the Medora's **South Unit Visitor Center**, located in Medora at the beginning of the scenic drive, to pick up a map and watch a 17-minute park film.

The South Unit is well-known for its 36 Mile Scenic Loop. This **36 Mile Scenic Loop is currently a 48 Mile Scenic Drive**, due to road erosion closing the road between mile marker 24-28. This area of the loop is closed to all traffic, including pedestrians and bicycles. Give yourself enough time to explore this scenic drive; plan at least 2 hours!

This 2-way paved road winds across the North Dakota Badlands with stunning scenery in each direction. Motor vehicles and cyclists can enjoy the **many scenic overlooks and trailheads**.

The 2nd Visitor Center is the Painted Canyon Visitor Center. Located 5 miles east of Medora on I-94; exit 32.

NOTE: Painted Canyon is *not a park entrance*. Experience this famous scenic overlook with a sidewalk that traces the frame of the badlands with fantastic views of the South Unit all along the way. You will also enjoy the nature trail and picnic pavilion.

NORTH UNIT OF TRNP

LOCATION

NORTH UNIT: just over an hour drive away!

You are approximately a 1 hour and 5-minute drive from the north unit park entrance.

GPS directions to the North Unit, use this address:

- 208 Scenic Drive, Watford City, ND 58854

DIRECTIONS FROM DAKOTA PLACE LODGE:

- Head south on Doc Hubbard Drive
- Turn left onto East River Road South
- Turn right onto Pacific Avenue; this will lead you to I-94 East
- Take I 94 East for 15 miles to Belfield ND, Exit 42

- Turn left onto US Highway 85 North
- Follow Highway 85 for 50 miles
- Turn left onto Scenic Loop Drive

North Unit Entrance
is approx. 14 miles south of Watford City, ND
and 50 miles north of Belfield, ND.

NORTH UNIT OF TRNP

KNOW BEFORE YOU GO...

14 Mile Scenic Drive - 28-mile round trip

The North Unit is more compact than the South Unit.

Plan at least 1 hour & 15 minutes for your adventure through the 14-mile North Unit's Scenic Byway. This scenic drive takes you along overlooks, trailheads, and picnic areas.

Wildlife viewing will not disappoint as 82% of the North Unit is designated wilderness area, creating great opportunities to see wildlife such as bison, prairie dogs, bighorn sheep, coyotes and even moose.

You will experience tracing the bottom of the North Dakota Badlands on the first half of the drive. At this point, you will inch up out of the canyon to the North Unit's well-known view, River Bend Overlook. From this Overlook, it's an easy drive along the rim of the badlands to Oxbow Overlook at the road's end. The road is almost all paved except for one stretch of gravel. The road is open to motor vehicles and cyclists.

ELKHORN RANCH UNIT OF TRNP

LOCATION

&

KNOW BEFORE YOU GO...

ELKHORN RANCH UNIT: THE MOST REMOTE UNIT OF TRNP

Always follow directions carefully to this unit; it is accessed only by non-paved/gravel roads. The last three miles sometimes require 4-wheel drive and/or a high-clearance vehicle, especially in winter or during and after rain.

There is no cell phone signal at the Elkhorn Ranch Unit or along much of the route to it.

Be safe and always get informed about current road conditions at park visitor centers before you embark on this adventure.

DIRECTIONS FROM DAKOTA PLACE LODGE, Medora, ND:

- Head south on Doc Hubbard Drive
- Turn left onto East River Road South
- Turn left onto Pacific Avenue; this will lead you to I-94W
- Follow I-94 West for 14 miles to Exit 10
- At the end of the exit ramp, turn right on County Road 11 (gravel)
- Follow County Road 11 for 8.8 miles
- Turn right on Westerheim Road
- Follow Westerheim road for 6.5 miles
- Turn left on Bell Lake Road
- Follow Bell Lake Road for 11.7 miles
- Turn right onto FH2 towards the USFS Elkhorn Campground
- Follow FH2 for 3 miles, continuing past the campground and MDHT trailhead to the Elkhorn Ranch Unit parking area.
